Do you know your waste?

Sort your waste in 5 different waste containers

Plastics, food- and beverage cartons

Paper, cardboard, and textile waste

Food waste

Residual waste

Glass and metal

Batteries
See where you can drop them off at kredslob.dk/batterier

Are you unsure how to sort something?
Look it up in our sorting guide and find out where the waste belongs.

Is your waste too large for the waste containers?

Get your bulky waste picked up easily and for free.

Bulky waste consists of your broken furniture and items that cannot be recycled or disposed off in the waste containers.

Order bulky waste pickup to your address at kredslob.dk/bulkywaste

If your things are still usable, donate them to them to charity.

Drop them off at either Nærgenbrugsstationen, your local charity shop, or give it away online.
